Fifth Grade and Sixth Grade AMI Assignments

Put on a show! Please sing two school-appropriate songs of your choice in front of an audience for each day that we miss school as your alternate method of instruction in music class. Kidz Bop songs would work well. Your audience can be your family or friends, as long as it is at least one person. Feel free to make up motions to the songs. You may repeat songs if needed. After your performance, write down the name of the songs that you sang and write at least one sentence per song explaining why you chose those songs. Turn in your sentences after returning to school. Please email me at jennifer.lane@ysk12.com or text my remind account with any questions. To join my remind account, send the message "@6f2c9h" (without the quotation marks) to 81010. Thanks so much!
