

Yellville-Summit Elementary

The Y-S District is working with the Arkansas Department of Education to implement a framework developed by Marzano Research called High Reliability Schools. As part of this process we are collecting feedback from parents/guardians, students and staff through an online survey administered by the Hanover Research firm. Survey responses will be anonymous and data will only be reported as a group. **Please respond by October 22, 2021.**

Thank you for your time and participation!

Mr. Wes Henderson
Superintendent

The survey should take less than 5 minutes to complete. To begin, please click the following link:

Elementary parents/guardians
