July 8, 2022

Dear Yellville Summit School District,

The last couple of weeks of my life have been very interesting and I want/need to say thank you to our students, teachers, parents, and all of our family members who have kindly said prayers for me. I was recently diagnosed with a brain tumor and I have had it removed and I am in the process of getting my health back together.

Luckily, physical beauty has never been one of the most important aspects to my life and that is probably a good thing, because the rest of my days will include a large scar on the side of my head. It should be a great memory for me to remember how blessed I have been to be part of this world. I hope to do many more things to help your children.

Let's all work together to make this world a better place!

Sincerely,

Wes Henderson
