July 28, 2023

To: Parents of Yellville-Summit Students  
Subject: Required Notification of Non-Certified Staff Member

The Arkansas Division of Elementary and Secondary Education Rules and Regulations require schools to notify parents of any staff members not currently certified in the curriculum areas they are teaching. Ms. Victoria Spence & Ms. Blythe Murphy are instructing in our Special Education Department, Ms. Aubrey Jamerson is also instructing in our Elementary Special Education Department and Ms. Valerie Davenport is working with our K-12 Gifted and Talented students. All of these instructors are completing the necessary coursework to become certified in these subject areas of teaching.

Sincerely,

David Wyatt  
High School Principal
